

Dear Glenwood Ram Booster:

Another exciting year of Glenwood Ram athletics is here! The Booster Club is currently conducting the annual membership drive for the 2008-2009 school year.

This year celebrates the 25th Anniversary of the Glenwood Booster Club. The Booster Club was formed for the purpose of providing the high school and middle school athletic departments with supplemental funding for the schools athletic programs. Each year thousands of dollars are raised through memberships, concession stands, Ram Shack clothing sales, the auction, golf tournament, chicken dinner and special projects. All of the funds raised are used to provide financial support to successfully operate the athletic programs for the sole benefit of Ram student athletes.

Last year the Booster Club accepted the challenge of replacing team fundraisers that had provided extra funding required by each respective program. We are extremely happy to report that the challenge was successfully met and every request for funding was provided. The Booster Club plans to continue to provide our athletic programs with the money they need for the extras for achieving success. The challenge could not have been met without everyone working together and supporting the effort.

Thanks to the great support of the Glenwood Community for our various fund raising activities the proceeds were used to fund the following things:

<u>Item</u>	<u>2007-2008</u>
Uniforms	\$ 18,000
Equipment	17,000
Weight room equipment	10,000
Program funding	10,000
Team dinners and awards	<u>3,000</u>
Total	<u>\$ 58,000</u>

In addition, to the items above an additional \$10,000 was set aside for more new weight room equipment for the new high school.

By becoming a member today you will help to enable the Booster Club to continue to provide our student athletes with the things they need to be successful and continue to allow our coaches to coach and our players to play. Please remember to include your e-mail address on your membership form so you can receive regular updates on Booster Club news and upcoming events.

Sincerely

Tim and Lisa Reinert, Co-Presidents
